**RE:** Verification Statement of Qualifications

It has come to our attention that we need to revise the Verification Statement of Qualifications to comply with Arizona Administrative Code R7-2-405(E)(3). The change, which deleted *special education*, is as follows:

3. \_\_\_\_ I have not represented public education agencies in any matter, as their attorney, during the preceding calendar year.

Please make note of the change and fill out the attached Verification Statement of Qualifications with your signature and date. Please send it back to us as quickly as possible. Thank you.
